Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Providing professional learning and coaching to deepen teacher understanding of the Australian Curriculum including General Capabilities
- Coaching to build teacher capability in effective and differentiated curriculum unit planning
- Supporting teachers and leadership teams to effectively use data to inform curriculum implementation
- Implementation of Balanced Literacy specifically in the areas of Guided Reading, Shared Reading and Self Selected Reading
- Providing professional learning, coaching and specialist support to assist teacher to develop knowledge of effective communication strategies for students with complex communication needs
- Engagement of students in accessing a creative arts program to facilitate individual learning goals.
